

CPNI NOTICE

As our customer, Premier Communications (“Premier”) has access to information regarding the quantity, technical configuration, type, destination, and amount of telecommunications services you use. This data is considered Customer Proprietary Network Information (CPNI). Under federal law, you have the right, and Premier has the duty, to protect the confidentiality of your CPNI.

Occasionally, Premier and its affiliates may use your CPNI internally to more effectively recommend communications-related products and services that are tailored to your specific communications needs. At no time will your CPNI be shared with third parties or be used to market any services provided by third parties.

If you approve our use of CPNI for these limited purposes, you need take no further action.

If you do not approve our use of CPNI for these limited purposes, you have the right to “opt-out” of this arrangement. By completing the section below, you will be opting out of this arrangement and denying Premier and its affiliates permission to use your CPNI for certain marketing related purposes. Denial of permission will not affect any services you already receive from Premier. Note that the CPNI opt-out does not mean Premier won’t market to you, rather, it simply means that you won’t receive specific information based on your services and usage patterns. Be aware that Premier uses this targeted information to trouble-shoot service issues and better your user experience. If you choose to “opt-out” of CPNI we can no longer make those recommendations.

You need only respond if you DO NOT want Premier and its affiliates to use your CPNI. If you choose to respond, please return the completed “CPNI Opt-Out Request” (located below or on our website at www.mypremieronline.com/terms-conditions-and-policies/) to one of our office locations which are listed on the bottom of this notice, or at a billing drop off location.

Except as otherwise required by law, this approval/disapproval (including by electing not to return the form) will supersede any prior oral or written instructions you have provided to Premier regarding the use of disclosure of your CPNI. You may withdraw or deny access to CPNI by completing the Opt-Out Request and returning it to Premier at any time.

CPNI OPT OUT REQUEST

I do not wish Premier Communications or its affiliates to use my CPNI to market communications-related products and services that I do not presently subscribe to.
