

1. Terms and Conditions. These High-Speed Data Service Terms and Conditions govern high-speed DSL, cable modem, fiber optic or fixed wireless Internet access service (“**Service**”) and ancillary equipment (“**Equipment**”) you order and receive from Mutual Telephone Company of Sioux Center, Iowa d/b/a Premier Communications (together with any subsidiaries or affiliates providing any Service or Equipment, “**we,**” “**us,**” or the “**Company**”). If you are a contract customer, these **High-Speed Data Service Terms and Conditions - Business and Enterprise Service**, our **Standard Terms and Conditions - Business and Enterprise Service**, our **Service Level Agreement – Business and Enterprise Contract Customers** and our **Acceptable Use Policy – Business and Enterprise Service** are incorporated into your Service Contract. For non-contract customers, by establishing a Service account and using Service, you agree to be bound by these **High-Speed Data Terms and Conditions – Business and Enterprise Service**, our **Standard Terms and Conditions – Business and Enterprise Service** and our **Acceptable Use Policy – Business and Enterprise Service**. If you fail to comply with these Service-Specific Terms and Conditions, your Service may be suspended or disconnected. If there is a conflict between these Service-Specific Terms and Conditions and our General Terms and Conditions of Service, these Service-Specific Terms and Conditions will control for that conflict.

2. Change to Terms. We reserve the right to change these Service-Specific Terms and Conditions. If a change occurs, we will provide written notice to you. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication. You may, within fourteen (14) days of your receipt of notice of any such change, cancel your Service Contract; provided that no early termination fee will apply if the communicated change would materially adversely modify the terms (including price) of Service or your rights under your Service Contract. If you elect not to cancel your Service Contract and continue to use Service after receiving notice of such changes, your continued use of Service will constitute acceptance of the changed terms and conditions.

3. Service Package. We offer multiple packages (or tiers) of Service for business and enterprise customers. Not all Service packages are available in all areas. For contract customers, your “**Service Package**” is set forth in your Service Contract. For non-contract customers, full descriptions of currently available packages, including pricing information and information about the suitability of specific Service packages for particular activities or applications are available upon request by contacting us.

4. Service Term. Depending on the Service Package you select, you may receive Service for an agreed minimum term (your “**Contract Term**”) as specified in your Service Package. In the absence of any Contract Term or after any Contract Term has expired, you will receive Service on a month-to-month basis until Service is canceled by you or disconnected by us in accordance with your Service Contract. If you select a Contract Term, you understand that you have received a special rate and/or we have incurred costs in exchange for your commitment to the full Contract Term. **If your Service is downgraded, canceled or disconnected prior to the end of your Contract Term, you may be charged an early termination fee (“ETF”) as specified in your Service Contract.** ETFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancellation or disconnection of Service.

5. Billing. Nonrecurring and recurring charges for Service are as set forth in your selected Service Package and/or the rate schedules maintained by the Company, current versions of which are available upon request. All Service charges, along with applicable local, state and federal taxes, regulatory assessments, fees and charges, cost recovery charges and other applicable charges and fees will be itemized on your invoice. You must pay all charges for your Service, including all applicable taxes, fees and surcharges, by the due date on the invoice. If you think your statement is incorrect or if you need more information about it, contact us immediately. We will try to resolve any complaints you have as promptly as we can. If you have signed up for electronic billing, we will not mail you a paper invoice. Invoice information will remain available in your account information or by calling us at our customer service number. Failure to pay invoices when due may result in late payment fees of up to 1.5% per month (18% per year) on the unpaid balance and/or other penalties, including suspension or disconnection of Service. An additional installation charge, deposit and/or a minimum service term may be required to restore Service. Additionally, your prior Service Package may no longer be available after disconnection has occurred. In order to restore disconnected Service, you may be required to select a new Service Package with the rates, features, and terms offered at the time of restoration of Service. For more details, refer to your monthly bill or contact a customer service representative. If we don’t receive your payment before the next billing cycle, you agree to pay any costs and expenses associated with our collections efforts, including attorneys’ fees. We may charge you an insufficient funds or returned check fee, up to the maximum rate allowed by law, if your check, bank draft, electronic funds transfer, or other order for payment is dishonored or returned for insufficient funds or any other reason. Our acceptance of late or partial payment and late payment charges will not constitute waiver of any of our rights to collect the full amount due.

Unless otherwise provided in your Service Level Agreement or separate contract, you are solely responsible for providing all hardware, software, operating systems and/or other devices or equipment (“customer supplied equipment” or “CSE”) necessary to access Service. We make no representations, warranties or assurances regarding the capability or suitability of any CSE, hardware, software or other devices or equipment independently purchased or otherwise owned by you.
